# CHEAP WEDDING FLOWER CHECKLIST

---

To discuss with your wedding florist

- The color and theme of your wedding flowers
- Flowers that will be in season and cheaper at your wedding
- The number of bouquets, button holes and corsages
- Floral decorations – think about using your bouquets to decorate tables
- What are their delivery requirements/costs and set up times?
- May I see samples of your work?
- Who will be setting up the flowers on the wedding day?
- Are you familiar with my wedding venue?
- What do you charge? Are you willing to work within my budget?
- What suggestions do you have, given my needs and budget?
- What are your deposit and cancellation policies?
- What are your guarantees regarding freshness, availability and substitutions?
- Do you rent certain items such as aisle runners, candleabras, etc
