

Free Wedding Ring Sizer

If you are looking to buy your wedding ring online, you will need to know your ring size.

Start by printing out this page and cut out the ring size measure below.

Please don't change the size of this page otherwise the sizer will not work!

Then wrap the measure around your finger using the end with the words Ring Size as the starting point.

And mark where the paper overlaps.

This will be your size.

Now go to my Cheap Wedding ring guide to find your gorgeous wedding rings.
